Saturday 14th October - Apple Day 2017 from 11.00 - 15.00

Many hands make for light work and a successful event. Your support on the day is much valued and I have already had a number of people indicate that they wish to lend a hand. So how can you help?

Come along from 9.00 and help transform the orchard ready for the celebrations that kick off at 11.00
Lend a hand on a stall from 11.00 - 1.00 or from 1.00 - 15.00

Lend a hand at the end when the orchard is transformed back into a haven of peace.

Either see me at one of the above work sessions or let me know by e-mail if you are able to spare a couple of hours at some point on the day.

I look forward to pleasant warm days for each of the sessions above.
